

Faculty Bulletin #7 –

January 13, 2006

Dear Faculty Advisors:

Four and a half weeks and counting.....

If you have not yet registered for the conference or the hotel, we need you to do so now! For the hotel, please e-mail csurace@hiltonalexandriamc.com with the specific rooming requirements list and a credit card number. (The credit card number is to reserve the room and to cover additional expenses that may occur.)

For those of you who have registered for the conference, we need you to ascertain that your students are registered as well. We also need your payments.

For all: Please remind your graduate students, seniors and juniors to take advantage of the recruiters who are participating for the entire event and visit with them during the conference. Saturday morning will be chaotic, and by visiting during the conference the students are assured of quality time and the ability to have questions answered. Also, tell them to bring interview attire and resumes!

If you are interested in bringing additional students, please contact:

- Sean O'Riley at soriley@umes.edu; (410) 621-3382, or
- Natalie Friend at n.s.friend@larc.nasa.gov; (757) 864-5166, and we will add those names to our waiting list.

For any additional information, please contact:

- Natalie Friend, Sean O'Riley – see above, or
- Dr. Patricia Carter at pacarter@umes.edu, (410) 621-3383

Thank you.

From the PSTC staff, A Very Happy New Year!
